SPOTLIGHT ON ARTISTS

Dr. Carol G. Schaffer is a dentist practicing in Linville at the Sloop Medical Plaza beside the hospital. She has lived and practiced in this area for the past 23 years. Dr. Schaffer is a woman who wears many hats. “Dentists often to do some other form of creative work; 3 years ago I began using recycled materials to create functional wall collages to hang jewelry. My jewelry boards (jewelry boxes on the wall) evolved into a variety of different uses such as a place to hang keys, purses, glasses hats scarves, etc using a variety of different mediums. I always participate in the Avery County Master Art and Craft shows and the Wooly Worm Festival. The chamber has always encouraged me and I have sold well over 100 pieces of my work” said Dr. Schaffer. She has a website and a booth at Art walk in downtown Boone. *Just Hang It* can be accessed at www.myjewelryboard.com. Dr Schaffer is also on the board of a local charity, she serves as Vice president of “High Country Caregiver Foundation” aiding local families, and is helping to plan their annual auction at Lees McRae the evening of August 15th at the Evans Auditorium.” I am also passionate about giving back to my community by helping to provide respite for families that care for sick loved ones.”
